Got drift? New tool allows you to re-calibrate your DualSense (PC required, works on PS5 after)

I don't own a PS4 or PS5, so all of my playthroughs solely take place on PC (Steam). As long as you are logged in to PSN via the game's account linking, you will ...

PS5 to receive power saving mode which will scale back performance on compatible games (rumored to be used as upcoming Portable's power target)

After spending four days with the PS5 (two full days over the weekend and two days after work) and trying out a handful of games, I can confidently say that I'm still not ...
