
Captive power plant battery storage

Hi, is a captive more preferred in the USA than in GB? I have never heard the word captive in England, but I have read it in the People magazine. Cheers

Bonjour, Dans le langage courant, je pense qu'on dira en général " (trop) long" ou "a prend trop de temps". Par contre, en contexte professionnel (et dans le cadre de ...

The word "caught" seems to have given way to "caught" at some point during the 19th century. Samuel Johnson's "Grammar of the English Tongue" lists both as options: Fight, ...

mittell Hults is a young man of few words. But when it mattered most, he talked late into the night, giving authorities the information they needed to rescue his friend and ...

Bonjour! Dans les remerciement à la fin du livre Captive, Sarah Rivens remercie les utilisateurs du Wattpad pour: "(...) toutes ces fois où vous avez attrapé ma veste parce que ...
