It is a custom for people to have several computers at home. I am more inclined towards 2.,
because people can have other customs, and the custom about computers is one ...

Custom-made and tailor-made both mean "made specifically for someone." But
there are some differences in usage. Custom-made refers to almost anything that is made for
...

I'd use "custom". To me, "tradition" suggests something that's been
going on for centuries and while that may or may not be the case with tipping the hairdresser,
the inference ...
