
Power circuit breaker factory in Philippines

Who makes DCPI circuit breakers?

Initially importing Square D circuit breakers from the USA, it later became a Schneider Electric distributor. Over the years, DCPI expanded its product range, including products from 3M Philippines, Emerson Network Power, Federal Pacific Company, Danaher Power Solutions, and ABB.

What is a circuit breaker?

Explore circuit breakers, the foundation of safe power distributions and the main protection from electrically-caused fires. Protect each line carrying energy or supplying appliances by choosing the correct sized circuit breaker, that will automatically disconnect in the event of a short circuit, or a cable overload.

Does DCPI sell LV/HV circuit breakers?

DCPI presently maintains substantial stocks of LV/HV circuit breakers (now ABB and Schneider Electric), general purpose dry-type transformers (Federal Pacific) and 3M electrical and telecommunication products which are sub-distributed through an established network of dealers, OEMs and contractors.

Who makes Square D circuit breakers?

DCPI steadily grew its business supplying Square D circuit breakers for four (4) years, until in mid 90's that Square D Company was bought by the French company--Schneider Electric. Schneider Electric eventually established an office in the Philippines in December 1996 and began direct importation of Square D circuit breakers under its name.
