
Pulse energy storage device

A pulse is the heart rate. It's the number of times the heart beats in one minute. The pulse can be measured using the radial artery in the wrist or the carotid artery in the neck. ...

A normal resting heart rate for adults ranges from 60 to 100 beats per minute. A heart rate above or below that may signal a health condition.

Checking your pulse pressure may help your care team predict your risk of heart and blood vessel events, such as heart attacks and strokes. A pulse pressure greater than 60 ...

Para medir el pulso de manera precisa, haz lo siguiente: T#243;mate el pulso todos los d#237;as a la misma hora. Si#233;ntate y descansa por unos minutos antes de tomarte el pulso. ...
