
Weather station uses 1MW Asian solar-powered container

(all time, all weather and high-accuracy positioning) Hi everyone, Last night I saw a news in the paper and I found something wrong ...

Hi everybody, I am aware of the fact that the word „weather" is uncountable and therefore the use of the indefinite article is grammatically incorrect - still I would like to know ...

Please imagine we are having a good weather today and we'd like it will continue tomorrow in the way it is right now. Which one of the following bold phrases can complete my ...

For example, The weather forecast says that it (will-is going to) rain tomorrow. I read that "will" is mostly used. But what's confusing me is that "be going to" is supposed to be ...

Here are some more expressions that I have doubts about. I would like some Francophone reactions from both sides of the Atlantic. Il fait du soleil Il fait du brouillard Il fait ...
